

The diagram illustrates the layout of a printed page. It features a solid blue outer border, a dashed purple inner border, and a solid grey middle line. Three horizontal lines with arrows at both ends are shown: a blue line at the top, a grey line in the middle, and a dashed purple line at the bottom. The text 'Safety Line' is centered between the blue and grey lines, 'Bleed Line' is centered between the grey and dashed purple lines, and 'Fold Line' is centered between the dashed purple line and the bottom edge of the page.

Safety Line

Keep all important information within this line, safe from trimming

Bleed Line

Background image/colour should extend to this line

Fold Line
